

Dear Valued Customer,

Thank you for being a N9NE Group customer, we appreciate your business and support.

We wanted to provide information about the free drawing service we offer; a service that has been very successful helping our dealers secure their furniture projects.

As our customer we will provide you:

- Initial drawing services include a free 2D top down, 3D line drawing, bill of materials, and rendering.
- Two revisions per project at no charge (a second option of the same project will be considered a revision).
- Projects that require three or more revisions will be billed to your account at a rate of \$45 per revision.

Attached please find a drawing request form for your convenience. Please provide as much details as possible including:

- Project name and contact information
- Name of your N9NE Furniture Group Sales Rep
- Sketch, drawing, or CAD file that includes **dimensions, part numbers, furniture placement**, and as much detail information about your space as possible (location of windows, doors, columns, partial walls, etc..)

Once you have gathered your project information please email [renderings@n9nefg.com](mailto:renderings@n9nefg.com) or your sales rep to begin the process. Please allow up to three business days for your initial drawing to be completed (revisions one to two business days).

We are excited to work with you on your upcoming projects and to help you close your sale.

Sincerely,

N9NE Furniture Group
