## Chair

The Konfurb Loop is a playfully innovative office chair designed by Martin Ballendat. Showcasing an organically contoured shell backrest that descends to fuse beneath the seat, framing the user within an artistically sculpted loop. Crafted for dynamic workspaces, the chair features a 5 star base with castors and a height-adjustable tilting mechanism, allowing seamless movement to adapt to a range of tasks. Choose between a white or black frame and customize the seat pad with your preferred colour. Ideal for meeting rooms, collaborative hot-desking, educational spaces and home offices.
