

Cool Mesh Pro Big & Tall Chair

Comfortable + Robust

Cool Mesh Pro

The CoolMesh Pro XL offers the same trusted functionality and durability as the classic CoolMesh Pro collection, now with enhanced features for maximum support. Designed for all-day comfort, it features an oversized seat, upgraded casters, and reinforced arms, providing a sturdy 400 lb weight capacity. This chair's breathable cool mesh back promotes airflow, while an easy-glide seat slider, adjustable height, lumbar support, and fully adjustable arms ensure a customizable and ergonomic seating experience.
